

SMHI Gridded Climatology

Appendix B: Error estimates

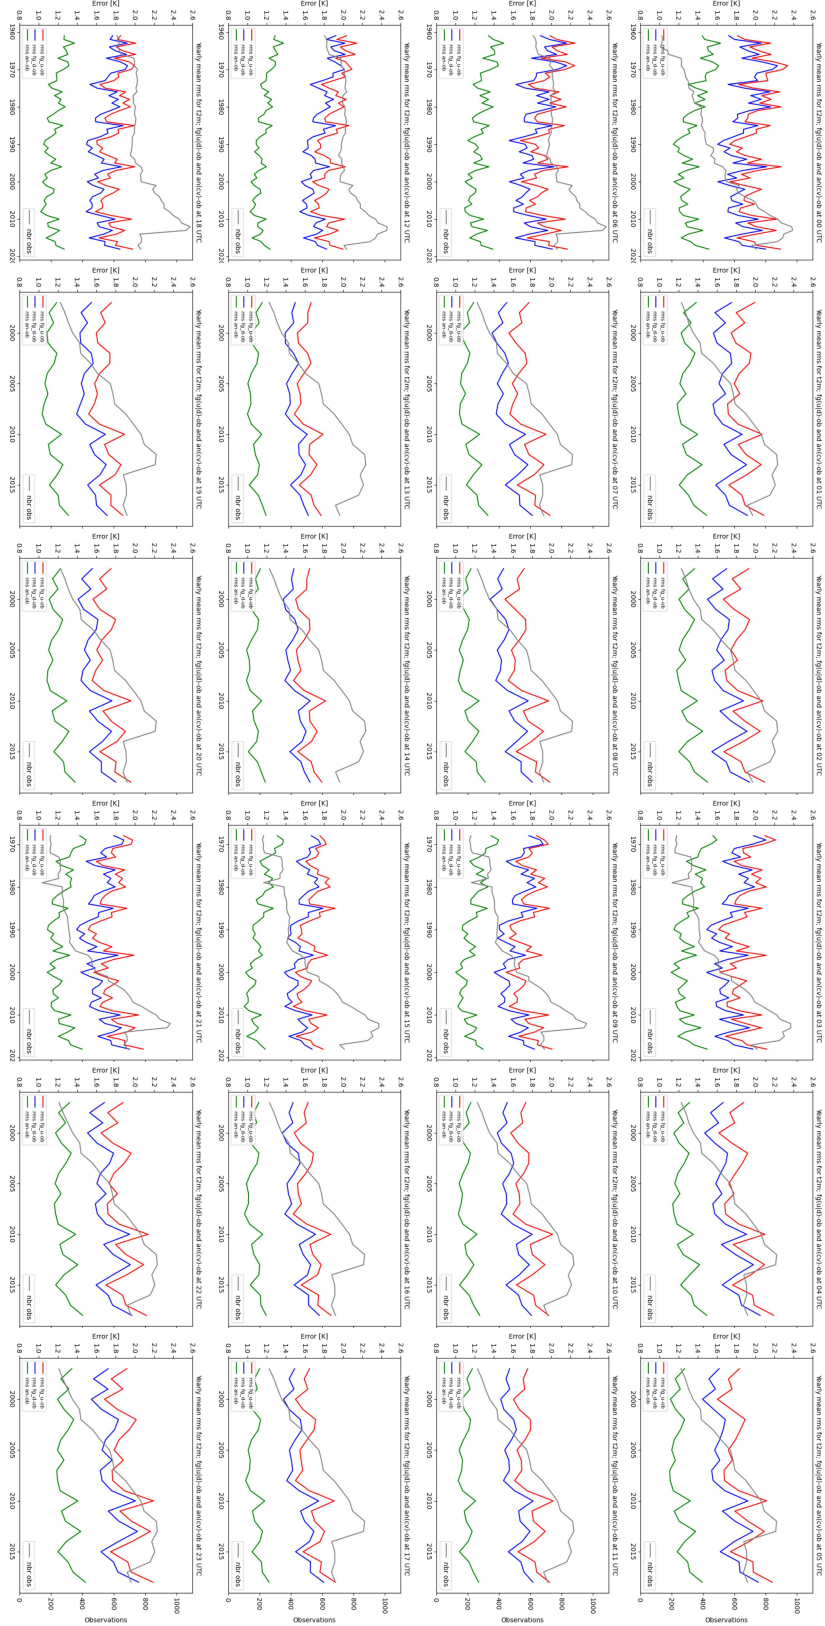

T2m bias and standard deviation

Figure 1: Error statistics for T2m in terms of bias and standard deviations for each analysis hour.

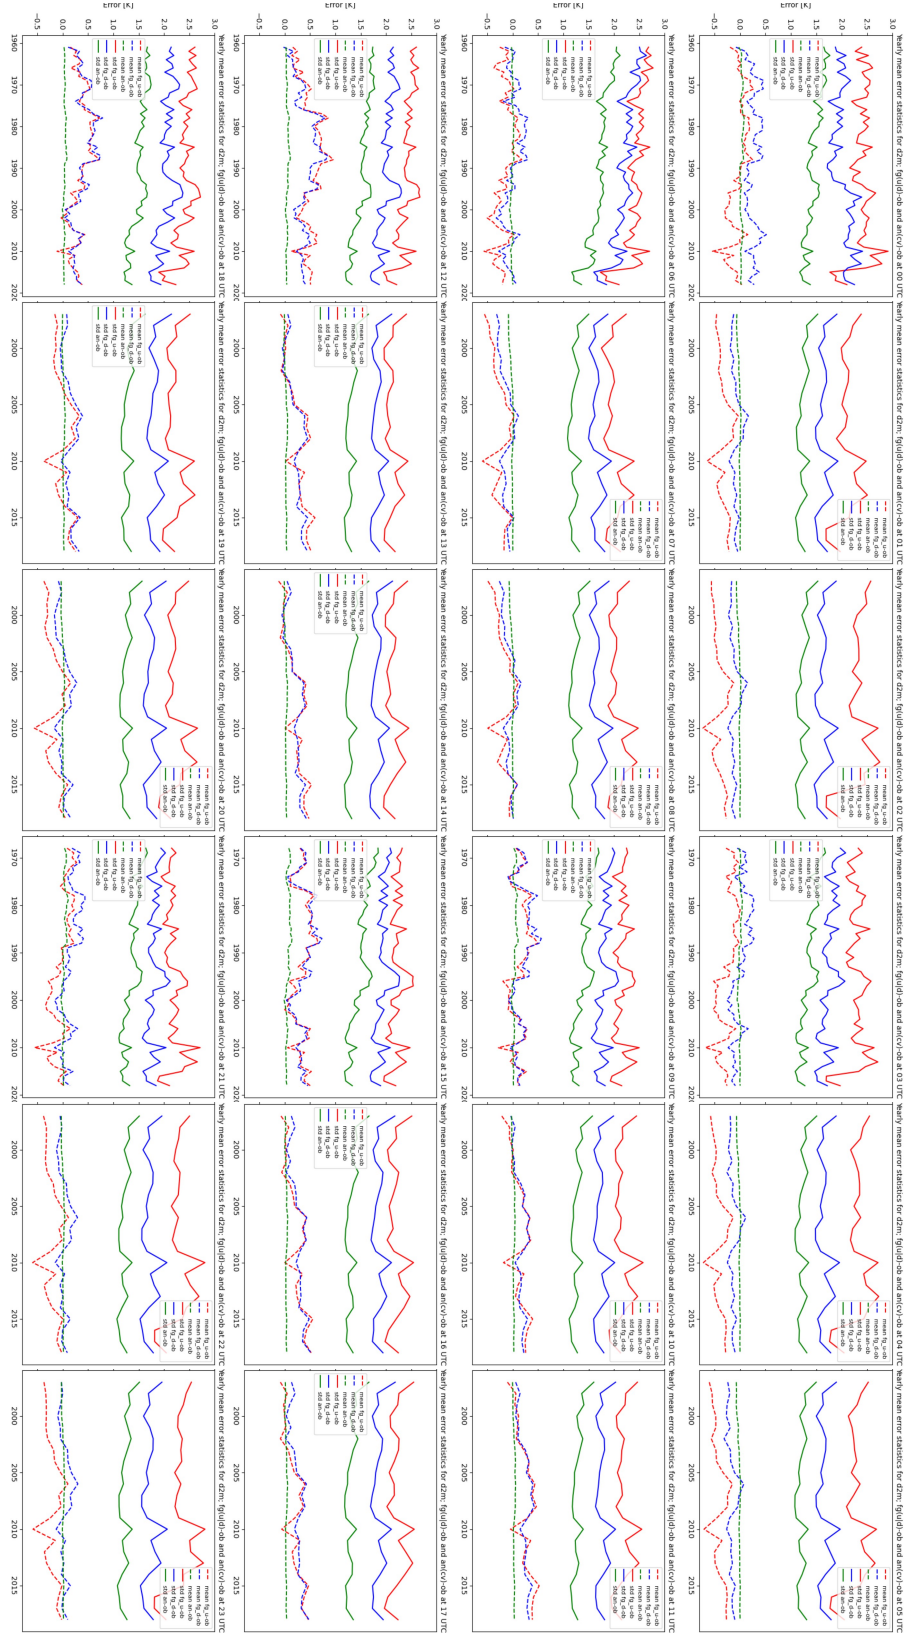

T2m RMSE and number of observations

Figure 2: Yearly mean of RMSE and thenumber of observations for each hour of the T2m analysis

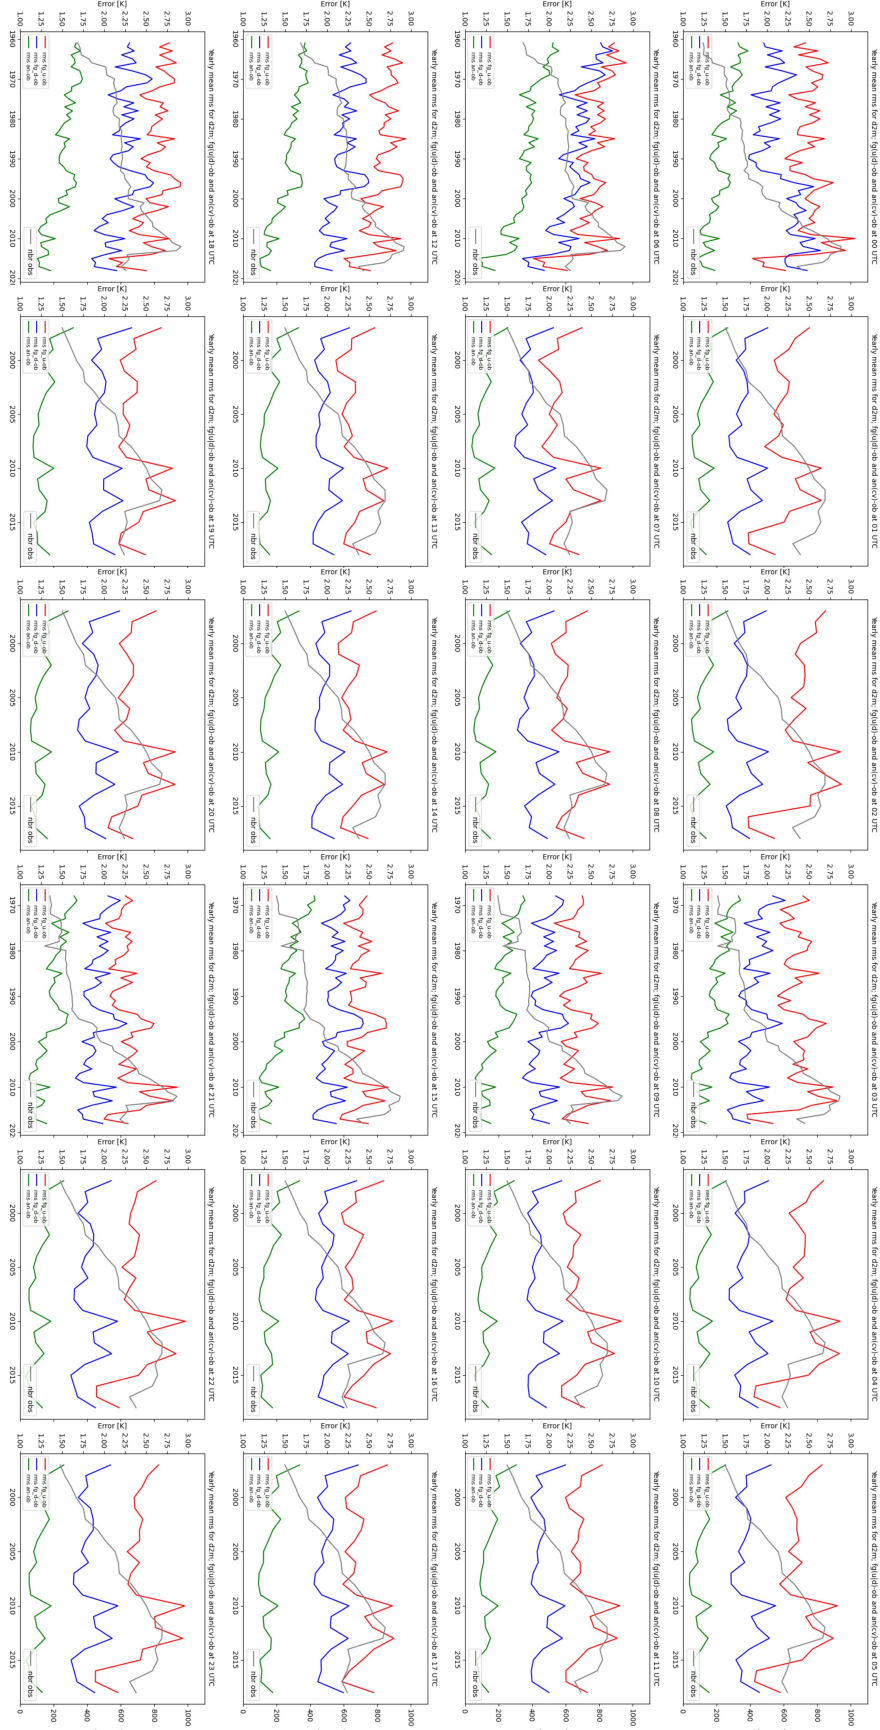

Td2m bias and standard deviation

Figure 3: Error statistics for Td2m in terms of bias and standard deviations for each analysis hour.

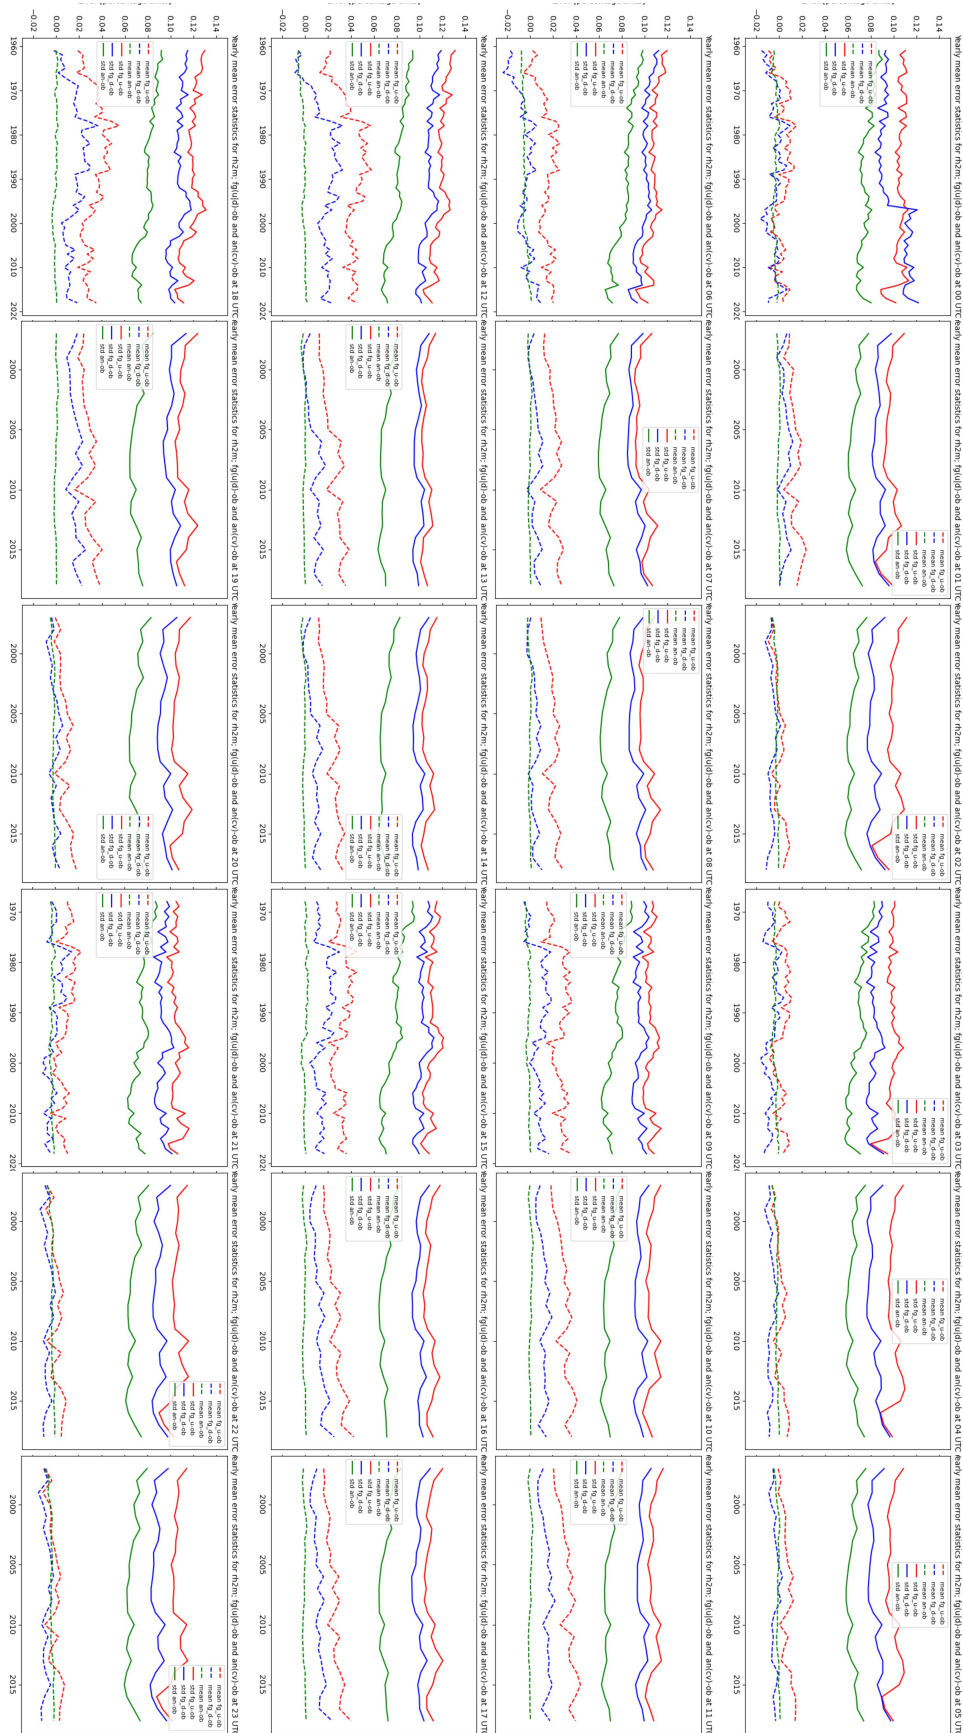

Td2m RMSE and number of observations

Figure 4: Yearly mean of RMSE and thenumber of observations for each hour of the Td2m analysis

Rh2m bias and standard deviation

Figure 5: Error statistics for Rh2m in terms of bias and standard deviations for each analysis hour.

Rh2m RMSE and number of observations

Figure 6: Yearly mean of RMSE and thenumber of observations for each hour of the Rh2m analysis
