

Return periods

The table shows the accumulated risk that a specific weather event with a specific return period should occur during a specific period of time.

Return period [Years]	Probability for 1 year	Probability for 2 years	Probability for 5 years	Probability for 10 years	Probability for 20 years	Probability for 50 years	Probability for 100 years
2	50	75	97	100	100	100	100
5	20	36	67	89	99	100	100
10	10	19	41	65	88	99	100
20	5	10	23	40	64	92	99
50	2	4	10	18	33	64	87
100	1	2	5	10	18	39	63
