

log in with 2 factor to Hive.

When you login in to Hive and already have a second factor activated.

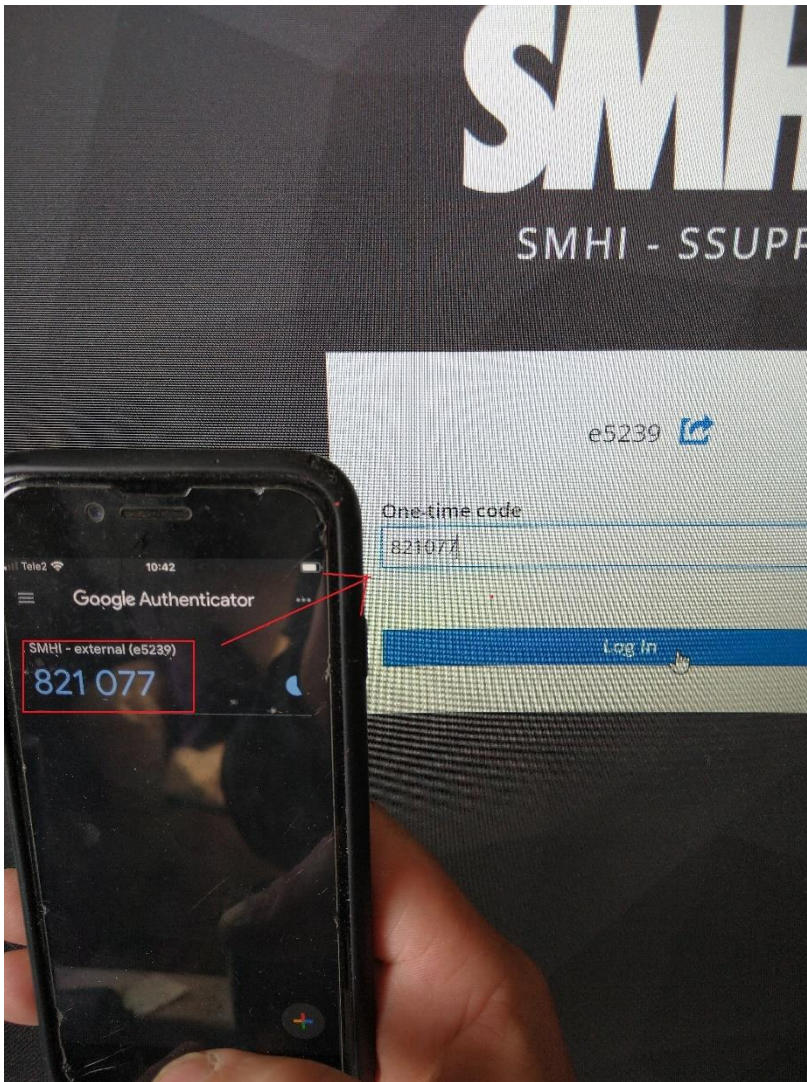

1. Surf to <https://hive.smhi.se>
2. Click on "External user"

3. Fill in username or Email address. Then fill in your password. Click on "Log in".

A screenshot of the SMHI login form. The background is dark grey with the 'SMHI' logo and 'SMHI - SSUPP' text. In the top right corner, there is a language selector 'English v'. The main heading is 'Log In'. Below it, there are two input fields: 'Username or email' containing 'e5239' and 'Password' containing a series of dots. To the right of the password field is a link 'Forgot Password?'. At the bottom, there is a blue 'Log In' button.

4.
 - a. Start the application where you have the 2 factor authentication for your Hive account.
 - b. In the application on your device, you now get a generated one-time code. Enter manually that code in the field "One-time code" in the browser on your computer. (The one-time code is only valid for a limited time. **You must click "Submit" before the code is replaced in your phone / Authentication app. Otherwise you must restart the process.**)

5. You are now logged in to Hive.
